GENERAL CONDITIONS:

Volumetric conversion ratio 1 m3=250 kg.

Valid prices for shipments that originate from the province of Barcelona.

Each case of wine contains 6 bottles (4.5 liters). Minimal price for the order to be collected: 1 case.

The customer commits himself to fulfill these particular conditions.

The sender will take charge for all products not paid by the recipient once the merchandise is delivered.

The packaging has to be homologated to cover the hypothetical bottle breaking.

Valid rates until 12/31/2023.

NOT INCLUDED:

Additional all-risk insurance. It can be contracted directly through the creation of the order.

Additional fees and supplementary services that may happen.

INCLUDED:

CMR coverage (8% per freight).

Extra charge for the fuel (10.65% per freight) reviewable quarterly.

Approved packaging.
